

SIS Parent Portal

Enhance your connection between your children and their education.

To begin using the Parent Portal, simply follow these steps:

1. Fill out the Parent Portal Registration form and return it to the school.
2. Your password will be emailed to the address you provided on the registration form.
3. Go to the Parent Portal web page (<https://sdm.sisk12.com/FR/NewLoginPage.aspx>) or you may go to www.centralr3.org click on Parent Link on left side of page and choose District ParentLink LOGIN. ***Note** - Our webpage is best viewed with Internet Explorer 8.
4. Click on the Parents tab and then log in. You must be on the Parents tab in order for your login to work.

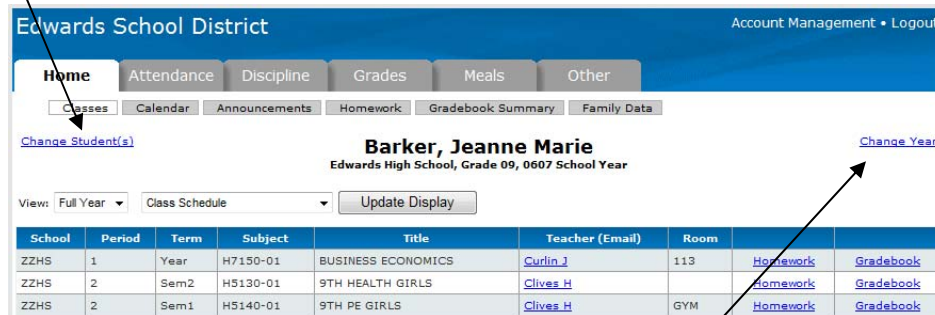

If you have problems or questions about accessing the site, please contact Melanie Dillard at 431-2616 ext. 4200 or email mdillard@centralr3.org.

NOTE:

- If your email address changes, be sure to contact Angie at ahagerty@centralr3.org and let her know so your contact info can be updated.
- As part of the security procedures, the **ONLY** way to receive your password is by email. The school office cannot give it to you because they do not have access to your password.

Once inside the Portal, you will have access to several different areas of information for each child you have enrolled in the district. Each of these areas is explained below.

If you have more than one child enrolled, select which child’s information you wish to view by clicking the Change Student(s) link at the top of the page.

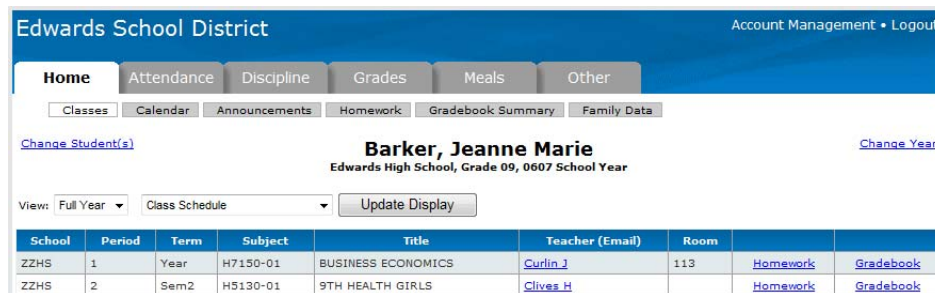

Normally you will want to view information for the current school year, but if you have a need to view information from a previous school year, use the Change Year link.

On any of the pages, if a teacher’s name is underlined, it means an email address is available for that teacher. Clicking the name will let you send an email to them.

Home Tab

Head Lice Alert

ALERT: This alert has been issued as the result of a higher than average incidence of head lice infestation.

To prevent further spread of head lice to other students, this condition should be treated immediately. If infested, your child will not be allowed to return to class until the infestation has been properly treated. You may wish to consult your family physician, a local pharmacist, the school nurse, or you can follow the recommendations below.
